

Cognitio College

This year is the 50th anniversary of the founding of Cognitio College.

Celebrations to mark its golden

jubilee began with a ceremony on the Peak on September 28, and continued with Open Days at Cognitio College (Kowloon) on December 1 and 2.

More than 4,000 people, including former students and teachers, enjoyed the open days'

activities, including gymnastic and martial-arts displays, an English drama, performances by the school musical band, and prize-giving.

Professor Cheng Kai-ming, senior adviser to the vice-chancellor of the University of Hong Kong, was guest-of-honour. He offered his thoughts on the college's history and future challenges facing education in a rapidly changing society.

Cheng helped cut a giant cake and release balloons, symbolising high hopes for the future.
