Dear Principal,

CUHK Admission Talks for Students and Parents

To provide senior secondary school students and their parents with information on admission to programmes at The Chinese University of Hong Kong, the Office of Admissions and Financial Aid has organised a series of admission talks in the evening in May and June 2015.

The talks, scheduled for Form 4 to 6 students and their parents, will cover the latest JUPAS admission requirements and arrangements of the University and its programmes, and will include a question and answer session for students, parents and teachers to raise questions and to interact with the speakers. Students, parents and teachers are welcome to register online at <http://www.cuhk.edu.hk/adm/jupastalks>.

We would appreciate your help in encouraging your students (and their parents) and teachers to join the admission talks. The attached posters are for the favour of posting.

Thank you for your support and we look forward to welcoming your students and teachers at the talks.

Yours faithfully,

Suk-Ying Wong
Professor, Department of Sociology
Director of Admissions and Financial Aid
