*Interdisciplinary Programs refer to BEng/BSc & BBA Dual Degree Program in Technology and Management, BSc Environmental Management and Technology and BSc Risk Management and Business Intelligence

The talks, conducted in Cantonese, will cover university's admission related information, including admission requirements, subject weightings, assessment process and interview arrangements, etc. It is suitable for senior form students (S.4 – S.6), especially S.6 students who have just completed their HKDSE exams and may want to explore further on their potential University for future study.

We would greatly appreciate it if you could help encourage your students and their parents to join the events. Please advise them to register online (<https://join.ust.hk/jupastalks/>) on or before 5 May 2017. Due to limited seating capacity, registration is on a first-come-first-served basis. Reminder email will be sent to the students again prior to their registered session(s).

We look forward to seeing you and your students in May. If you have any questions on these events, please feel free to contact my colleague, Miss Karina Shum (phone: 2358-5972, email: karinashum@ust.hk).

Best regards,

Ms Michelle Lui
