Dear Parents and Students,

It is with great pride and excitement that I write as the new Principal of Cognitio College (Kowloon). I am much privileged to be delegated this position by the Incorporated Management Committee (IMC) under the supervision of Mr. Poon Shun Kwok, Albert, following Ms. Au-yeung Wai Yin.

Cognitio College (Kowloon) enjoys a rich history of academic and individual excellence, which is the result of a collegial partnership among the school staff, parents and alumni. Grounded on the good foundation laid, I would live up to the expectations of all stakeholders as the new principal of the school. I would strive to facilitate a nurturing school environment in this new campus and provide opportunities to meet the needs of every student. Apart from the IMC members, I have started meeting with some school founders, teachers, members of the Parent-Teacher Association and the Cognitio College Alumni Association to learn more about the unique strengths, traditions and practices of the school. These conversations give me a solid understanding to lead my team to navigate and explore the endless possibilities for our students to acquire the skills to become competent citizens in a vastly changing society.

In the years to come, I will work hard to continue the legacy of success established at Cognitio College (Kowloon) by building strong ties with our staff, parents, alumni and students. Hand-in-hand shall we stand and advance and make our school an even better place for our students to develop and shine.

Yours sincerely,

Tam Kwok Hin
Principal
