各位家長：

### **籃球校隊學生隔離事宜**

本校得悉四位籃球校隊學生分別於今天（2022年10月18日）和上週六（2022年10月15日）進行2019冠狀病毒快速抗原測試，結果呈陽性，本校已將個案報告衛生署。衛生署人員要求所有曾參與2022年10月15日籃球校隊訓練的學生須居家隔离七天。來自各班級的二十三名學生，將由今天起至下週二（2022年10月25日）接受居家隔离。

學校將為所有須接受隔離的學生安排網課。有關學生的功課將暫存在校務處，家長可在辦公時間內到校領取。

今天放學後校園將進行全面徹底消毒。我再次提醒所有學生應保持適當的社交距離，並注意個人衛生。請各位家長確保子女每天回校前進行快速抗原檢測及作清晰記錄，並於每天早上點名時/參加活動前讓老師檢查紀錄。如測試結果為陽性，學生不得回校，並應盡快通知學校及留在家中。

如欲了解學校情況，請於辦公時間內致電 2323 1741 與學校聯絡。

敬祝

安康！

校長

Circular No.: 2022/23-072

18 October 2022

Dear Parents,

**Students from the School Basketball Team in Quarantine**

Our school was informed that four students from the school Basketball Team were tested positive regarding COVID-19 via rapid antigen test (RAT) today (18 October 2022) and on last Saturday (15 October 2022). The cases have already been reported to the Department of Health (DH) and the personnel from the DH requested all students involved in the training on 15 October 2022 to be detained at home for 7 days. The 23 students from various classes concerned will receive quarantine from today until next Tuesday (25 October 2022).

The school will arrange online lesson arrangement for all these students in quarantine. The homework for students concerned will be kept at the school office for collection by the parents during office hours.

The school campus will be thoroughly sanitized after school today. I would like to reiterate that all students should maintain appropriate social distance with other people and to take good care of personal hygiene. Please also make sure that your children carry out the RATs properly, keep a clear record each day before coming to school and show the record to teachers upon taking attendance. Students who are tested positive or show symptoms of COVID-19 should stay at home.

For enquiries about the situation of our school, please do not hesitate to contact us at 2323 1741 during office hours.

Thank you for your attention!

Yours sincerely,

Tam Kwok Hin  
Principal
