各位家長：

因應惡劣天氣學校停課的應變安排

紅色暴雨警告信號已於下午二時五十分生效。

根據觀察，天氣將會逐漸變得不穩定。因此，下午三時二十分後的所有課堂及課外活動將會取消。在安全情況下，學生應立即返家。

如家長認為天氣、道路或交通情況惡劣，可以選擇讓學生留在學校，直至情況安全。家長亦可以到校接學生返家。

感謝各位家長合作。

敬祝

Circular No.: 2023/24-199

21 May 2024

Dear Parents,

Contingency arrangements on due to bad weather

Announced by the Hong Kong Observatory, the Red rainstorm warning signal was in force starting from 2:50 p.m. today.

By observation, the weather will be increasingly unfavourable from now on. In this connection, all lessons and co-curricular activities will be cancelled after 3:20 p.m. The school would allow the students to return home when the conditions are safe.

Students may choose to stay at school if parents consider the weather, road and/or traffic conditions are unfavourable. In such case, parents may choose to pick up their children from school.

Thank you for your cooperation with the school.

Yours sincerely,

Tam Kwok Hin
Principal
