## Principal's Message

I am delighted to share with you that our Open Day cum S1 Information Day held on 16-17 December 2022 not only manifested the unity of the Cognitio community but also the concerted efforts of our staff, students and alumni. I would like to take this opportunity to express my heartfelt gratitude to everyone for their participation, dedication and involvement in making this momentous event with a huge party of visitors an unparalleled success. Also, it was high time that we paid tribute to our founders as well as predecessors who have laid the groundwork for the prosperous development of the school.

In this academic year, a series of festive events to celebrate our Diamond Jubilee have been and will be taking place. We are looking forward to the Joint-School Speech Day to be held in the Queen Elizabeth Stadium on 14 January 2023. We are very privileged to have Dr Choi Yuk-Lin, JP, Secretary for Education, as our guest of honour.

Throughout the next 60 years, we will keep striving to realise the lyrics of our College Song – to consolidate Cognitio College as “forever a school of fame”, and, as always, “we are proud to bear thy name”. Cognitio Diamond, External Brilliance!

## Opening Ceremony

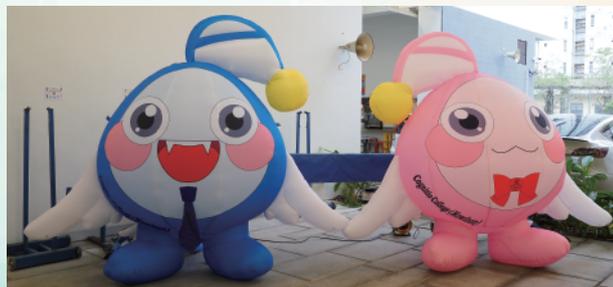

9:30 a.m., 17 December 2022

We took great pride in witnessing the historical moment when the foundation plaque was unveiled by our School Founders, which officially marked the opening of our Kai Tak campus. The ceremony was followed by the ritual of filling in the time capsule with memorable objects from different key stakeholders, led by our former School Supervisor, Mr. Poon Shun Kwok, Albert. It is our honour to have our distinguished alumnus, Ms. Naomi Chung, Head of Xiqu, Performing Arts, West Kowloon Cultural District to officiate at the opening ceremony. Ms. Chung also delivered a speech that captivated the hearts of the audience.

## Open Day Programmes

An array of programmes had been arranged for our visitors during our Open Day cum S1 Information Day. They ranged from exhibitions, learning activities, learning celebration presentations, demonstrations, academic talks, campus tours, inter-school games competition, alumni performance, to student performances. The twin 3-metre mascots designed by S5A received and took photos with all the participants near the School Hall.

## Hall Performances

We take pride in our students, whose great talent is not only confined to academic and co-curricular achievements, but also in linguistic, cultural, musical, aesthetic and athletic aspects. This was exemplified by the performances taking place at the School Hall, which won the thunderous applause and admiration of the spectators, with parents, alumni, schoolmates and visitors inclusive.
